Vision

The English Department strengthens the liberal education of students by developing a deepened understanding of language and literacy, the value of critical reading and effective writing, and the richness of literature, past and present. We seek to foster knowledge and a love of literature and of language in our students.

Mission

The Department is primarily interested in opening fresh avenues for personality improvement and control of language skills along with the attainment of knowledge of the subject, English Literature. It offers need-based programmes, provided in an academic atmosphere of quality higher education, and imbibes essential and universal values embedded in literature and life. The students, especially from the under-privileged echelon, are educated to obtain English communicative skills along with the knowledge about various social and national values attained from the study of literatures written in English.
