2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The institution assesses students' learning levels and organises special programmes for both slow and advanced learners. The college has put in place an effective mechanism to assess the learning levels of the students, and thereafter, to organize specific programmes for advanced learners and slow learners.

During Student Induction Programme post-admission, the freshers are oriented on the importance of assessment of learning levels, apart from orientation towards college curricula, various curricular, co-curricular and extra-curricular activities of the college, learning opportunities available in the campus, available facilities and infrastructure. The classification of students on learning levels is based on the marks scored in the entry level assessment test. Based on the marks secured, students are classified as slow, advance and medium learners. The college has introduced psycho-metric tests an additional tool to assess the multiple intelligence of the students.
