2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

The College is adequately and sufficiently equipped with ICT infrastructure to enable all teachers to utilise the newest technological developments in the field of Information and Computer Technology.

ICT-enabled Infrastructure

The campus premises are WiFi-enabled. Majority of the classrooms are ICT enabled. The college has a well-equipped media centre with shooting floors, audio recording studio. Interactive panels have been set up at multiple locations to support interactive ICT-enabled teaching.

Moodle, an open source learning platform, is the official learning platform of the college which is used for various academic purposes. IQAC took measures to equip teachers ICT-friendly by organizing training in and workshops on Moodle.

Other ICT-focussed Initiatives

Teachers also use ICT-based tools like Mentimeter, Google Classroom, Kahoot!, Google tools, OBS and H5P to create interactions during video lectures, etc.

The College has its web portal to broadcast video lectures prepared by faculty members and conduct online webinars and workshops. Other than Moodle and STAMS, the college has purchased/subscribed online tools like Streamyard, Microsoft Teams for academic content delivery.

Digital Library

The digital library of the college avails online content to the college community. File Description Documents Provide link for webpage describing ICT enabled tools including online resources for effective teaching and learning process.
